Couples

Mac & Jilly,
Dinko & Ruth.

Everywhere together:
Vegas for gambling.

Canada for fishing.
Dozen others.

Including weird Europe.
“They take you where bums
piss & call it History.”-Mac.

Florida’s “Villages” to retire.
Breast Cancer takes Jilly
pretty quickly. Dinko

leaves mid raunchy ballet
across 18th green after
sinking improbable putt

besting Mac. “He kept grab-
bing his crotch for fun but only
grabbed the heart the once.”

Mac & Ruth marry. Leap of Faith
for her since Tilly told her everything.
